Story of Susie the Duck

In 1948, a country mallard settled in downtown Lodi.

She laid her eggs in the masonry flower basket perched in the waters of Spring Creek next to this restaurant. The duck endeared herself to the community and visitors. She was named "Susie" by Lodi Police Chief Will Breunig's granddaughter. Susie faithfully returned to her flower basket raising two clutches of eggs each year and attracting national media attention. Over the years, many "Susies" have continued to nest and hatch ducklings in this basket.

Lodi hosts an annual Susie the Duck Day celebration each August.

Thank you for choosing Spring Creek Restaurant.

We are proud to use locally produced ingredients from our neighbors in Lodi and throughout Wisconsin, including: sausage, bacon, ground chuck and summer sausage from award-winning Lodi Sausage Co. & Meat Market, smoked salmon from Susie Q's Fish Market in Two Rivers, WI, and various local cheese, maple syrup and produce.
